Dear Jeff:

This is to confirm our conversation regarding the cost to conduct a title search on properties within the ~~Dead Creek~~ Study Area which will need to be accessed during field investigations. As I advised you on the phone, we estimate the costs for the title search to be approximately \$3,200.00. This estimate is based upon estimated 45 senior hours, 8 clerical hours and approximately \$900 in travel and other direct costs.

Of course, this is an estimate and the IEPA would be billed on an actual time and materials basis. Please advise us as soon as possible if you would like E & E to carry out the title search for the Agency. A written work authorization is necessary for our records.

As we discussed over the phone, we will need to get access to these properties very soon.

Very truly yours,

Michael L. Miller, P.E.
